On this first day at sea enjoy the ship, book a massage, visit the library, catch a show – the choice is yours as we sail North en route to Canada.

MONDAY, AUGUST 30

Saint John NB, Canada, 8am – 4pm

Ever wondered what a town on the bay with the highest tides in the world would be like? You should visit the nearly 400 year old harbour town of Saint John! A billion tons of water moving in and out of the Bay of Fundy twice a day has created a reverse waterfall, sea caves, cliffs, and is home to a variety of fascinating marine life. Saint John offers something for everyone!

Hundreds of kilometers of incredible coastline with majestic scenery from end to end qualifies Halifax as perhaps one of the most beautiful capital cities in the world. You'll find the perfect blend of big city excitement, small town charm and natural pristine beauty.
