

South American Cruise
Aboard the Celebrity Infinity
February 12 – March 01, 2010

Hosted by Bradley Walters

South America is the sum of many parts. On the one hand, there are cities every bit as cosmopolitan as any found north of the equator. Then, there is the wild and untamed side, with lush rain forests and staggering mountain peaks that reach high into the sky. To get the most out of this exotic and diverse destination, experience it with Celebrity, where your every desire is anticipated and your every wish fulfilled. South America is a living mosaic of inviting people, natural wonder and unforgettable moments.

Day 1 – Toronto - Buenos Aires

Friday, February 12th

Departure from Toronto to Buenos Aires on Lanchile via Sanitago. Dinner will be served aboard. Depart from Toronto at 4:35pm.

Day 2 – Buenos Aires

Saturday, February 13th

Arrival in Buenos Aires at approximately 1:45pm. Welcome by our local representative and transfer to your hotel for overnight.

A sprawling metropolis that rises from the Rio de la Plata and stretches more than 745 square miles to the surrounding pampas, the famous Argentine fertile plains. Unlike most South American cities, whose architectural styles reveal a strong Spanish colonial influence, Buenos Aires looks more like Paris with wide boulevards lined with palatial mansions; flowers are sold at colourful corner kiosk, and cafes appear on every block.

Rest of the day at leisure

Accommodation: **HOTEL AMERICAS TOWER 4* - STANDARD ROOM**

Day 3 – Buenos Aires

Sunday, February 14th

Breakfast. In the Morning: city tour of Buenos Aires featuring the city's main attractions, including a stop at Café Tortoni, the most famous Cafe in Buenos Aires. Founded in 1858, Cafe Tortoni was originally owned by a Mr. Tounan, and he named it after the famous Parisian café. Unlike other South American cities with colonial roots, Buenos Aires was influenced by Parisian architecture and urban design. Wide boulevards lined with palatial mansions, flower markets, and bustling outdoor cafés

add to its appeal. Attractions include the Plaza de Mayo, the historic Cabildo (Town Hall), the Casa Rosada (Presidential Palace), the Congress Palace and the quaint La Boca district with the famous alley, "Caminito", whose architectonic characteristics and customs reflect the influence of the European citizens that came influenced not only the architecture with its typical multicoloured tin houses still inhabited nowadays, but also the cuisine of the typical "cantinas". Tour will end at the pier for cruise embarkation **B**
